

New PrimeSupportElite swap packages for installation projectors

We're offering a very competitive range of new PrimeSupportElite upgrade packages for our CH, P and F Series installation projectors (laser and lamp models).

Going over and above a standard manufacturer's warranty, PrimeSupportElite is a powerful tool to support your sales efforts.

Offering even more peace of mind, these compelling value-added packages are yet another great reason to choose Sony over the competition.

For full information and pricing details, please get in touch with your Sony team.
